Two students from 2nd period Leadership (Kyle English and Sara Junkins,) will attend training a in San Antonio for the Military Child Education Coalition, Student 2 Student Program. FWBHS was chosen out of several hundred high schools to participate in this training. Kyle and Sara will come back and train a group of students to help our military children acclimate themselves into a new environment. Another factor of this training is that when a student has to leave our school for a new one, they will be able to take their community service hours, résumés, and teacher recommendations with them.

All of our classes are working on their portfolios, résumés, community service hours, and scholarships. While setting up and running our pep rallies, Leadership is also in the processes of starting our community services for the year.

Be sure your name is on the back written in Sharpie or use an address label. Please do not use ball point pen (makes an indentation) or other pens (they smear). The photo will be returned to you.
